**SUMMARY OF THE REASONS FOR DECISION:**

The untitled photographic material also known as *Item 8 Strip of 2 negatives* has been classified as:  
Unrestricted.

The publication is a single strip of two photographic negatives which depict a naked teenage girl. The dominant feature of the publication is the romantic and aesthetic manner in which the girl has been photographed. The publication is not seen to overtly emphasise the sexuality of its subject while presenting it in a sensual manner.

The extent, degree and manner of the presentation of nudity in this publication does not render its availability likely to be injurious to the public good as outlined in the Films, Videos, and Publications Classification Act 1993 and consequently no restriction is placed on the publication. The freedom of expression contained in the New Zealand Bill of Rights Act 1990 is not limited by this classification.
